

Mary, Mother of Our Savior Parish

Supporting Our Parish Through Online Giving

In his recent bulletin article, Father shared an important message about the need to strengthen the way we support the mission and future of our parish. The Finance Council fully agrees with and supports this effort.

As our parish continues to grow, we must also grow in the way we plan, budget, and support our ministries, staff, buildings, and parish life. One of the most helpful steps parishioners can take is to **sign up for online giving**.

◆ How Online Giving Helps Our Parish

Online giving strengthens our parish in three important ways. It brings **predictability**, allowing us to plan responsibly for monthly expenses, ministry needs, and future projects. It offers **reliability**, so your support continues even when you are away, sick, traveling, or have forgotten your envelope. And it brings **stronger accounting**, creating clearer records, reducing manual handling, and helping us manage every contribution with greater accuracy. This is not only about convenience. It is about helping our parish build a stronger, more stable foundation for the future.

◆ What About the Collection Basket?

We understand some parishioners feel uncomfortable not having something to place in the basket during Mass. For those who sign up for online giving, we will soon have **prayer request cards** available. Instead of an envelope, online givers may place a prayer request in the basket as a prayerful part of the offertory.

Please Prayerfully Consider Signing Up

The Finance Council invites you to consider online giving as a way to support our growing future. Your generosity helps us plan better, account better, and serve better.

We have many new initiatives focused on attracting and welcoming young families and individuals into our parish. Online giving is a major step in supporting this effort: monetarily, operationally, and in accessibility for our newest members. Thank you for growing with us; it makes a true difference to the future of our parish.

Sincerely,

Michael Taft
